BUSINESS:

1. Report from Youth Director: Pam reported a drop in attendance due to summer vacation. It happens every summer. The activities are going well. Pam was sick last Thursday so Karen worked alone. There were 21 kids and it went smoothly that night. The "kids playing safe" signs came last week. They are different than anticipated but we'll make them work with weights and bungee cords. We've been talking about the increase in cost for the recreation program, so the kids are prepared for the change starting Tuesday July 3rd. 50 cents or joining the Kids Club Membership. We plan on having a going away dance July 12th. in honor of Martika. Cost of dance \$2.50 and will include a glow necklace. The dance will be at the pavilion 7-9 p.m. instead of recreation at City Hall. We will serve soda's and chips outside the pavilion. Photos will be taken for a price.
2. BUDGET REPORT: There was discussion about the new Budget. Karen will find out how it will all work from Paul and Marianne. Any donations given after July 1st. will help run the program.
3. CHANGES IN THE PROGRAM: Flyers will be sent home with the kids Tuesday and Thursday evenings and also posted at the P.O. and Columbia Mkt.
4. REPORT ON STERNWHEELER DAYS: Pam reported that the dance went well with 31 kids and a few parents in attendance. We took in \$63.00 for the dance and expect a couple of parents to pay for their kids dance attendance this week. We'll see how that works. If everyone pays we will have made \$93.00 at the Dance.
Cake and Prize Walk: We had lots of goodies & took in \$75.86 at the walk. Pam turned in \$102.00 to the City from the dance and walk.
5. GUESTS: The 2 guests gave suggestions for the upcoming dance. We will use most of their ideas. It's nice to have input from the kids.
6. NATIONAL NIGHT OUT: The N.N.O. will be August 7th. 6-8 p.m. Pam is expecting a drinks donation from Coke. She has asked the Sunshine Division to provide the hot dogs, buns, condiments, and ice cream for the event. We will honor Bob Foley as part of the program.
7. NEXT MEETING: Monday July 30th. 3:30 p.m. Small meeting room.
