

Instructions for Local Government Recommendation – Special Events License

The local government is as follows:

- (a) If the address of the event is within a city’s limits, the local government is the city.
- (b) If the address of the event is not within a city’s limits, the local government is the county.

The OLCC will accept local government recommendations for alcohol special events in two formats: the commission produced form, or a written endorsement produced by the local government that meets our standards described below. Annual Liquor License applications must have their recommendation given on their specific form, which is different from this special event form.

FORM INSTRUCTIONS:

- **Section 1: Applicant** completes Section 1 of this form and submits it to the appropriate city or county jurisdiction. Applicant verifies with the local government whether additional forms or fees are required. **Applicant completes payment to local jurisdiction for processing application if they require fees. This does not include OLCC license fees.**
- **Section 2: Local government** completes Section 2 of this form and returns it to the applicant. **Applicant** uploads the complete form and any supporting information provided by the city or county to CAMP.

WRITTEN RECOMMENDATION INSTRUCTIONS:

Instead of using this form, The OLCC will accept a written recommendation produced by the Local Government and given to the applicant to submit. The recommendation must be in written format such as letter or email, and includes the required information described below. Applicant uploads this recommendation and any supporting information provided by the city or county to CAMP.

Required Recommendation Information: The written recommendation must include the event applicant name, event name, event address, event license type, event dates, name of local government, name & title of reviewing official, date of review, and the recommendation outcome. Recommendation outcomes can be: Recommend Granting License, No Recommendation given/Neutral, or Recommend Denial. If recommending denial, please explain as to why it would meet the denial criteria in OAR 845-005-0308.
